### Class Descriptions

<b>SCULPT AND BURN</b> <b>NEW!</b> Monica/ Shawna	<b>NEW!</b> Raise your heart rate while building strong & lean muscle. Boost your metabolism and promote fat loss through weighted and resistance exercises that are low impact on the joints. Varied weights and modifications for all fitness levels!
<b>IRON CIRCUIT</b> Monica	Build upper and lower body strength and muscle definition with a focus on form. Kettle bells, free weights, TRX, and weighted balls are just a few of the tools used in this class. All fitness levels are welcome!
<b>ABS &amp; ASSETS</b> Monica	Utilize precise movements with focus on form and technique. This non cardio based class features a variety of exercise combinations that target, you guessed it - your belly, butt, and thighs. All fitness levels are welcome!
<b>YOGA</b> Carol	Mindful movement coupled with proper breathing techniques and holding poses and stretches to wake up the body.
<b>PILATES FUSION</b> Shawna	Through standing and mat exercises, we will tone our core (abs, obliques, and back), shoulders, thighs, and glutes. Class is low-impact and utilizes body weight, balance, stability balls, and other tools to provide a workout that will be beneficial to any fitness level.
<b>CARDIO/KICK</b> Lisa	Start your day with a class that uses various techniques to keep you excited about getting fit!
<b>WATER AEROBICS</b> Monica/Shawna	Low impact but high energy workout that gets your heart rate up and body toned while splashing in the pool! Get ready for a fun, invigorating hour of a workout like none other. Wear your sunscreen!
