Class Descriptions

SCULPT AND BURN NEW! Monica Shawna	NEW! Raise your heart rate while building strong & lean muscle. Boost your metabolism and promote fat loss through weighted and resistance exercises that are low impact on the joints. Varied weights and modifications for all fitness levels!
IRON CIRCUIT Monica	Build upper and lower body strength and muscle definition with a focus on form. Kettle bells, free weights, TRX, and weighted balls are just a few of the tools used in this class. All fitness levels are welcome!
ABS & ASSETS Monica	Utilize precise movements with focus on form and technique. This non cardio based class features a variety of exercise combinations that target, you guessed it - your belly, butt, and thighs. All fitness levels are welcome!
YOGA Carol	Mindful movement coupled with proper breathing techniques and holding poses and stretches to wake up the body.
PILATES FUSION Shawna	Through standing and mat exercises, we will tone our core (abs, obliques, and back), shoulders, thighs, and glutes. Class is low-impact and utilizes body weight, balance, stability balls, and other tools to provide a workout that will be beneficial to any fitness level.
CARDIO/KICK Lisa	Start your day with a class that uses various techniques to keep you excited about getting fit!
