Subject: Response to COVID-19

Today, Governor Mike DeWine announced that all fitness centers, gyms, bowling alleys, recreation centers, indoor water parks and movie theaters in the state of Ohio will be closed at the end of the day today.

Even though the Sportsplex is a private facility, on the advice of our legal counsel; Towne Properties, the SP Committee, and the HOA Board have decided it would be consistent with the direction of the Ohio Department of Public Health, AND in the best interest of our community, to **temporarily close the Sportsplex effective 10:00 pm today**. At this point, we have no date determined to re-open the facility, but will follow the guidance and direction of Ohio state officials.

This has been an incredibly challenging time for all of us as we are operating in a rapidly changing environment. We will communicate any updates to you as soon as possible.

We hope all of you and your families stay safe and healthy.
