Subject: 2022 Pool Season

It's almost pool time again! Summer's right around the corner and the pool will be ready and waiting!

Here's what you need to know about pool season at the Sportsplex:

- Pool opens Friday, May 27, 2022 at 11am
- Hours are **daily from 11 am to 9 pm through August 16** when Kings Schools start
- **After August 16**, pool will be open **Monday through Friday 3 pm to 8 pm** and **Saturday and Sunday 11 am to 9pm ONLY**
- **Labor Day (September 5)** pool will be open from 11 am – 9 pm
- **After Labor Day** pool will be closed weekdays
- **Saturday and Sunday, September 10 – 11 pool will be open 11 am – 9 pm**
- **Pool closes for the season on September 12**

Weekdays from 5 pm – 9 pm, there will only be ONE lifeguard present at the pool. The guard requires a 10 minute break every hour from ten minutes before the hour to the next hour. **NO ONE** will be allowed in the pool during the lifeguard's 10 minute break period. The guard will blow a whistle at ten minutes to the hour and everyone will need to exit the pool. We ask for parent's help to make sure their children cooperate.

This summer we will offer water aerobics on Tuesday, Thursday and Saturday starting at 9:45 each day. The Tuesday water aerobics class will replace the Abs and Assets class for the summer. These are fun, energetic classes and all levels of fitness are welcome to join.

The pool chairs that were damaged last year have been re-strapped again. According to the vendor, chlorine is the primary cause of the strap discoloration. Lifeguards will be spraying the chairs once each day to try to remove any chlorine residue and prevent the issue from occurring again. As a further precaution, **it would be appreciated if all members would use towels on the pool chairs when they are in use.**

An earlier notification was sent out on the pavilion rental. Pavilion rental is available to members from 5 pm - 9 p.m. daily. When a member is renting the pavilion, there will be a second lifeguard on duty at the pool.

For your convenience, attached are the pool rules and responsibilities, and pavilion rental guidelines. Please make sure all members of your family and all guests are familiar with these and abide by them.

After two years of restrictions and protections, summer of 2022 is (almost) feeling like normal. We all look forward to an active, fun and healthy summer.
